Dear Sir:-

In answer to your letter of the 8th inst., requesting us to make report of fishery operations in Alaska last season, we beg to state that we did not engage in any such operations, but that on the other hand, we purchased most of our alaska herring from W. J. Imlach Packing Company, 415 Mutual Life Building, Seattle, and E. R. Driese, also of Seattle, Washington. We also purchased other small quantities of herring from other Seattle brokers.

Very truly yours,

M. BORTZ CO.
